

REMARKS

Claims 44-59 are pending.

Applicants respectfully request reconsideration of this application because the non-final Office Action issued on February 3, 2010 did not address claims 44-59. In an Amendment filed on September 18, 2009, applicants canceled claims 1-43 and added new claims 44-59. Claims 44-59 are substantively different from claims 1-43. The detailed rejections section of the outstanding Action, however, is identical to the detailed rejections section of the previous Office Action and addresses only canceled claims 1-43. In a telephone conversation on July 23, 2010, applicants' representative Chris Ferguson, Reg. No. 59,809, discussed the outstanding Office Action with Janice Mooneyham (in view of Examiner Fisher's extended absence). Ms. Mooneyham instructed applicants to file this request for reconsideration.

In view of the above, applicants request reconsideration of the Amendment filed on September 18, 2009 and submit that this application is in condition for allowance. If it is determined that a telephone conference would expedite the prosecution of this application, the Examiner is invited to telephone the undersigned at the number given below.

In the event the U.S. Patent and Trademark Office determines that an extension and/or other relief is required, applicants petition for any required relief including extensions of time and authorize the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing docket no.
